- F. This grievance procedure and the administration hereof shall, in all respects, comply with the laws and statutes of the State of New Jersey and with the Rules and Regulations of the State Board of Education, and to the extent that any provision of this procedure or the administration hereof in any given case conflicts with any said law, statute, rule or regulation, then the conflicting portion of this procedure or the administration thereof in the particular case shall be null and void.

The employee and the immediate superior shall attempt to resolve the grievance promptly, and in any event, the immediate superior shall advise the aggrieved of his determination within five (5) working days from the date of this original presentation of the grievance. The determination will be in writing.

 5. The signature of the aggrieved, which signature shall constitute a representation that the petition's contents are accurate and that it is filed in good faith for the purposes stated therein.
- C. Upon receipt of the petition, the Superintendent shall direct the administrator making the Stage I determination to submit a written response to the petition setting forth his understanding of the following:
1. The nature of the grievance and the essential facts relating thereto and the provisions of the contract, board policy, or administrative decision which are alleged to be involved.

Failure to file a petition to the Board within the said ten (10) working days shall be deemed to constitute an abandonment of the grievance and an assent to the Stage II determination.
- B. The Board petition to be filed with the Board Secretary shall contain at least the following:
 1. An incorporation by reference of the Stage II petition and answer, copies of which shall be delivered to the Board Secretary.

- D. Thereafter, the Board shall proceed to hear the matter as promptly as possible. The hearing shall be based upon the filed documents aforementioned, unless the aggrieved or the Stage II administrator requests the Board to schedule a hearing date for the presentation of other matters, in which event the Board shall do so. The Board shall then render its determination of the issue or issues presented by the grievance within fifteen (15) working days from the date of the filing of all papers or, in the case of a scheduled hearing, within fifteen (15) working days from the conclusion of the hearing.
- E. The Board's determination may be rendered orally. However, the determination must be rendered in writing to the parties involved.

MEMORANDUM OF UNDERSTANDING

The Board of Education will agree to spend a minimum of \$15,000 for salary restructuring. This will be implemented to the extent allowable under law after the study committee makes recommendations to the Board for such changes. The study committee will be made up of four members from each side and will meet to discuss restructuring, job classifications, descriptions, and salary levels thereof. Salary adjustments based on the committee's recommendations will be retro-active to July, 1982, and be built into the salary base. A majority vote of the committee will be necessary in order to set forth recommendations to the Board of Education. Based on a majority vote of the committee, the full committee will support the recommendations to the Board. The committee recommendations will be made no later than two months after the initial start of the committee. This Memorandum of Understanding will be excluded from any future negotiated agreement when the study is completed.
